

UNIVERSITY COUNTERUNITED ACADEMICS PROPOSAL

5-7-13

**ARTICLE 31
RELEASE TIME**

Section 1. The University Administration shall provide the Union with 2.55.0 FTE of release time each academic year. Such release time may be used for the purposes of conducting union business, including, but not limited to, contract administration, grievances, and participation in the governance of the Union's state and national affiliates. No more than one bargaining unit faculty member may be released for this purpose from any department or unit at a time.

Section 2. For each of the two (2) terms prior to the expiration of the Agreement, the ~~University Administration~~ shall provide an additional 2.0 FTE of release time for distribution to the Union's negotiating team for preparation for and attendance at negotiation sessions.

Section 3. The Union will notify the University Administration of the particular faculty members who shall receive release time. Such notice will be provided as far in advance as possible to permit adequate coverage of assignments, but shall be no later than the first working day of the term preceding the release. If the Union opts to use available release time in less than 1 FTE increments, the bargaining unit faculty member and his or her dean, director, vice president or designee will meet and confer to determine which portions of a bargaining unit faculty member's work responsibilities will be released. The parties agree that such release time should be structured to minimize the impact on students.

Section 4. The Union may also purchase up to an additional five (5) courses not to exceed twenty (20) credits of release time, or its equivalent for research, each academic year. Such release time will be purchased at the university's internal buy out rate. The Union will notify the Administration's contract administrator by May 15 as to whether and how many course releases are being purchased for the following academic year.
